

HM Revenue & Customs (HMRC) has now advised that they will not accept a paper C3, C104a or other C documents (UK custom forms) for shipments arriving in the UK after 31st March 2017.

All import applications for movements into UK must be completed on line. It is recommended that these applications are done prior to the shipping of your goods. Once the shipper has completed and lodged the application process they will be advised of a unique reference number that will be needed for customs clearance of the shipment in the UK. **You must have this authorisation before your Household Goods / Vehicles are shipped.** Failure to do so may lead to holding fees.

The application can be done via this link

Along with your Transfer of Residency, please be sure to send the following in the same email.
